With reference to your endorsement No. dated 13th July last, I have the honour to state that the claim of Mr. Basavaiyanna for compensation for his land taken up by the Mysore City Municipality has been settled.

The land was taken up for opening out Chamaraj Road on or about July 1892 and as the owner was absent from Mysore, the amount of compensation was not finally settled with him at the time. However, this property was valued at Rs. 433-3-4 and included in the General Compensation Statement submitted to Government, prior to the acquisition.

3 Mr. Basavaiyanna having claimed the very large sum of Rs. 1143 for his property, and as the original alignment had to be altered and the traces of the old boundaries of the houses obli-

-tered

-tered by the formation of the Road, there was some difficulty to procure evidence and to satisfy Mr. Anjanna as to the correctness of the area actually taken up for the road.

4 In the original Statement no compensation was put down for dismantling an outhouse, and considering the said omission and other inconveniences, I directed the payment to Mr. Anjanna of Rupees 550/ from the available balance under "Chamaraj Road Fund" in full adjustment of his claim.
